with Mr.Sivakumar (CEO TRICHY PLUS)**

In the first session we introduced the achievers of the month.

1. Mr.Krishna – got a band score of 8.0 / 9.0 in the IELTS. The main point that he insisted on was the importance of the reading habit. Mr.Krishna has been an avid reader from his childhood and that is what he said helped him to have a strong foundation in English language.
2. Mr.Daranidhar – He secured a score of 307 / 340 in GRE and he shared his experiences on the test procedure. That is, how it was on the day of the test.
3. Mr.Guru – He secured 106 / 120 in the TOEFL exam. Mr.Guru spoke at a length. The highlights of his talk were – he is from a Tamil medium school. However with the assistance of social sites, books, newspaper and watching English movies , he was able to improve his English. At one point in his life, he shared that, he made it a point to speak only in English.
4. Mr.Vignesh – He achieved a band score of 7.5 / 9.0 in the IELTS and 307 / 340 in GRE. Currently he is employed. He expressed his liking for the American culture & mannerisms. Though he was mentally ready but it took him nearly one year to put his plans on to paper. Mr.Vignesh said that his over confidence was a big block and he worked on his language by watching sitcoms, podcasting and reading many books.

All the three achievers expressed their heartfelt thanks to the trainers and appreciated the classes and the materials at TRICHY PLUS. Mr.Sivakumar, our CEO presented awards to the achievers.

Ms.T.Padma from Singapore

Mr.P.Gowtham from UK

We recognised the presence of the parents, who were attending the **U2CAN CLUB MEETING** for the 1st time. It was really exciting to see parents who had travelled all the way from Sivakasi, Kumbakonam, Tanjore and Manapparai etc... to be with us. Also the students who are planning to leave in **Spring 2016** were invited on stage to introduce themselves.

In the second session we had our two special speakers of the evening, all the way from Singapore & U.K. The first speaker was **Ms.Padma** who is currently doing her **MSc in International Business Management from PSB Singapore**. Ms.Padma came to U2CAN without any idea, a year ago. She shared that her parents had no information as they are from an agricultural background. She profusely thanked the U2CAN team for giving her the confidence and guiding her. She stated that her mother's attitude took a positive swing only after attending a Club Meeting. The highlights of her talk were – her course is from Napier (a U.K University) in Singapore. She has opted for the college accommodation which she feels is very safe. Her classes are only for 2 – 3 hours / day. She finds the program very interesting. Ms.Padma insisted on the importance of self cooking – that's how she managed amidst the Chinese food. Finally she said that her seniors who had completed these programs were now well placed in U.K, USA & Singapore.

The second special speaker of the evening was **Mr.Gowtham**, who had come all the way from **Birmingham, U.K** to be with us. He is currently doing his **MSc in Enterprise & System Management from Birmingham City University, U.K**. Initially Mr.Gowtham came to TRICHY PLUS for a Personality Development program called "VERBO-CITY LIFE". He took the IELTS exam twice as the first score was insufficient. The main points of Mr.Gowtham's talk was – he finds the people there are very punctual, disciplined and meticulous; rote method of learning is totally discouraged and audio visual teaching aids are widely used. Mr.Gowtham shared that he is currently working in a Petrol Station as an accountant and earns minimum 6.5 GBP / hour. He proudly stated that he flew to India with his money. He visits many surrounding cities and places during his weekends. He is very happy in the United Kingdom.
